RE: Culvert UC-4 Headwall Modification, Canyon Fuel Company, LLC, Dugout Canyon Mine

Dear Ms. Grubaugh-Littig:

Attached please find five redline/strikeout and five clean copies of page 7-68 from Chapter 7 of the Dugout Canyon M&RP. The revision to Chapter 7 is being made to address the proposed modification of the Culvert UC-4 Headwall. The modification serves to fortify the existing headwall. The modification does not require revision to the culvert design calculations in Appendix 7-9. However, a drawing of the proposed modification and the stream alteration permit have been included in this submittal for incorporation into the existing Appendix 7-9.

Thank you for your assistance and if you have any questions, please call me at (435) 636-2869.

Sincerely yours,

Vicky S. Miller

Title of Application: Culvert UC-4 Headwall Modification

Mine: DUGOUT CANYON

Provide a detailed listing of all changes to the mining and reclamation plan which will be required as a result of this proposed permit application. Individually list all maps and drawings which are to be added, replaced, or removed from the plan. Include changes of the table of contents, section of the plan, pages, or other information as needed to specifically locate, identify and revise the existing mining and reclamation plan. **Include page, section and drawing numbers as part of the description.**
